PYP - ESCAMBIA COUNTY - QOL SURVEY - 2016 CROSS TABULATIONS

In regards to the city owned and operated Port of Pensacola, which of the following proposals

A. The city should seek state, federal and local funding to develop and renovate the current port facilities and infrastructure to maintain and increase the use of the port.

B. The city should sell or lease the 40 acre port property and allow for mixed use development as is already occurring adjacent to the port property.

Would you support or oppose moving the marine terminal operations of the Port of Pensacola to another nearby location, such as the Pensacola Naval Base (NAS Pensacola).

PYP - ESCAMBIA COUNTY - QOL SURVEY - 2016 CROSS TABULATIONS

Escambia County Public School District ranks 57th out of Florida's 69 districts. A major factor in this low rating is that a third of Escambia's pre-K aged children are not "school ready". Florida law allows individual counties to establish a "Children's Services Council" to partner with and assist in funding organizations that provide proven programs that improve outcomes for children and families.

Funding for these services would come from an increase in county property taxes and is limited to 50 cents for every \$1,000 of taxable property value, or about \$35 dollars for the average Escambia household.

In order to fund these programs to increase school readiness and outcomes, would you support or oppose a property tax increase of 30 cents per \$1000 of home value, an increase of \$21 for the average Escambia household?
